it started with Him

Have you heard the "No! No! No!" story?

A toddler showed it to me in a book just a couple of days ago, as she shook her head and pointed to the picture. A little finger accusingly focused my attention on Eve who was about to take fruit from

the tree of knowledge of good and evil.

Even the toddler knew Eve shouldn't have done that, but she did. Then she shared it with Adam. And while if it tasted nice AND his wife wanted him to, we know Adam shouldn't have eaten that fruit... But he did. Through his action, sin entered this world and death passed to all men.

So that's the "No! No! No!" story - a Bad News story.

I'm so glad there's another story - a good news story -- the story of redemption. It started with Him, before the foundation of the world. God knew the risk. He had a contingency plan that involved Jesus paying the price that we may have life. He was not caught unawares when sin entered the world through Adam and Eve.

What an opportunity Jesus has given us - to accept His sacrifice and the life that follows, to live for Him, and to share His love with others.

It started with Him! I trust you'll enjoy Big Camp!

Our Speakers...

Dilys Brooks - Encounter

As Associate Chaplain of Loma Linda University, the focus of Dilys' ministry is to provide spiritual care for the students, faculty and staff. She is passionate and enthusiastic about sharing the gospel as well, as equipping youth and young adults to know Christ personally and accept His call to become change agents in the world for the kingdom of God. She is happiest when she is preaching, teaching or singing about Jesus. She absolutely enjoys spending time talking with and praying for others, then later rejoicing with them for how God gave them the strength to endure and overcome the challenges they face. The source of inspiration for her journey has been "Seek first God" from Matthew 6:33.

Bryan Gallant - Encounter & Seminars

Bryan is an Adventist missionary with an amazing testimony of God's Faithfulness! The Gallant family's unique and moving testimony is a story of God's unchanging Love. Bryan says, "Whether it is after the tragic loss of our children in 1994; or being fully immersed in Cambodia and later surrounded by 8000 Muslims in a post-911 world; or making the agonizing decision to return to the US for family reasons; or accepting God's invitation to another walk of faith in bridging between Christians & Muslims ... regardless of the time, God has been and is, FAITHFUL!"

Jose St Phard - Youth18+

Raised in an Adventist family and baptised at the age of 14, Jose received a clear calling to the ministry when he was 17. His has been an incredible journey of faith and grace. He has had the gracious privilege to share the Jesus story in Europe, Africa, and Central America. He has served as the Chaplain at Washington Adventist University and Pastor of the Community of Hope Church. He now lives in Chicago where he pastors a thriving 425+ multicultural, intergenerational church recently recognised as the fastest growing church in Illinois.

Jose's personal vision is to help people re-imagine God and, wherever he goes, to create spaces for the people God misses the most.

Glenn Townend - Encounter & Seminars

Glenn comes to us from the South Pacific Division where he is the newly appointed President. Prior to that he was the president of the Trans-Pacific Union Mission, based in Fiji.

Glenn is not a stranger to Melbourne. He served here for a number of years after graduating. He has also worked in Tasmania and Western Australia. He is respected for his visionary leadership and interpersonal skills, and has a strong emphasis on church planting.

Delroy Brooks - High Schoolers

Pastor of the Juniper Ave Church located in Fontana, Ca, Delroy is a former choir director and music producer and loves to read anything dealing with youth, hip-hop culture or Rites of Passage. He is energized, motivated and passionate about youth ministry.

Adam Tonkin - Juniors

Adam is the youth pastor in Griffith church, NSW. He also ministers in three other churches and has a passion to show people of all ages just how amazing God is. He likes to do this through the Bible teachings surrounding the Sanctuary and how God longs to dwell with us. Adam believes Jesus is coming soon and that we have a wonderful message of love and reconciliation to give to the whole world.

it started with Him

WRITTEN BY PR GLENN TOWNEND
PRESIDENT OF THE SOUTH PACIFIC DIVISION

‘Then Jesus went about all the cities and villages, teaching in their synagogues, and proclaiming the good news of the kingdom, and curing every disease and every sickness. When he saw the crowds, he had compassion for them, because they were harassed and helpless like sheep without a shepherd. Then he said to his disciples, “The harvest is ripe but the labourers are few; therefore ask the Lord of the harvest to send out labourers into his harvest.”’

Matthew 9:35-37 NRSV.

If you want to live you have to keep eating. If you want to eat you have to keep producing food. If you want to keep producing food you have to keep gardening and follow the age long process of gardening. (Or have someone else do this for you and you pay them for the food!)

When Jesus talked about reaching people he often used the gardening cycle to explain it. He spoke of different types of soil, planting the seed, reaping the harvest and sending reapers into the harvest (Mark 4:3-32). If we want to see a big harvest of people coming to faith in Jesus and His last day truth, we have to prepare the soil well, we have to plant a lot of seeds and care for the growth of the plants.

Jesus started the building of His Kingdom and He has a role He wants each of us to fill. The summary of His ministry, recorded in Matthew 9:35-37, illustrates how. He has passed this commission on to us and the stages of the gardening cycle

- the processes of discipleship - have particular activities that the followers of Jesus can be involved in.

Prepare the Soil. Jesus’ preparation was two phased - Prayer and Service.

In entering a new area the disciples of Jesus would prepare people’s hearts by praying for them and serving them. Like Jesus we should pray for guidance to help us reach others; pray for the community; pray for perception to find the key influencers; pray for God to heal people... And like Jesus, we will serve the people; helping them in their work; caring for and educating their children; teaching health principles; visiting the sick.

Sow the Seed. The seed is the good news of Jesus or the gospel. This seed is eternal (1 Peter 1:23). Jesus Christ came to earth to show us God’s love and how to live (John 1:14-18). Jesus did this

perfectly (Hebrews 4:15,16). Besides ministering to people Jesus gave up His life (Romans 5:8). This death on the cross was a sacrifice for the sin of the world (1 John 2:1,2). His death took the shame and guilt of yours and my sin (1 Peter 2:24). He did not stay dead, as dead men cannot save anyone (1 Corinthians 15:1-17). Jesus conquered death for all people and now is in heaven ministering for us and will return soon to give those who believe complete eternal life (Hebrews 7:24,25, John 14:1-3).

Followers of Jesus have their lives changed. Jesus then asks us to tell others what He has done for us. (Mark 5:19,20, Revelation 12: 10). We sow the seed by telling others what Jesus has done for us and what Jesus did for all people from the Bible.

Cultivate the Plants. Weeds need to be pulled, plants need to be watered and fertilizer needs to be put on the ground so the gospel will grow. Spiritually people are nurtured in relationship by visiting and eating with them. Teaching people how to pray and study the Bible for themselves are the main ways to grow people. Jesus says the seed will

“ Jesus started it - building His kingdom - and He modelled the process for us. We call it discipling. What He started, He wants each one of us to continue, individually and as a Church...”

grow all by itself if planted in good soil (Mark 4:28). As people are discipled in the faith we must not make them dependent on the pastor or others for their growth -other disciplines like reflection on nature or Sabbath rest - can be modelled and shown to growing disciples.

Harvest the Plants. When the crop is ready with mature fruit or seed it must be harvested. People are harvested when they believe Jesus and His teaching and commit to follow His way of life. Personal baptism is the Biblical way in which people show they want to follow Jesus and be a part of the church. People need to continue to be discipled in Jesus with the teachings and practices of the Bible and be involved in the mission of the church. People should know their spiritual gifts and actively participate in some aspect of the ministry in the church and the community.

Multiply the Crop. When people harvest a seed crop, they divide the harvest. Some is kept to eat, some is sold and some is kept to be planted again so another crop can be planted. One small seed can produce another big crop for harvest. The gospel work is to continue to grow. Disciples can become leaders. Leaders are best developed by other leaders who

take a person under their care in a relationship of purpose - to make another leader. This is done naturally by showing people what needs to be done, allowing the new leader an opportunity to try how to do a new task and then releasing the new leader to work on their own. There is always relationship support from other leaders in the church.

The discipleship process is not complete without all five aspects being done. Sometimes we only do one or two of the areas in this process and we do not plan well and have poor long term results (Luke 14:28-33). But if we are to see a growing movement we need to make sure that all activities of the church focus on every aspect of the evangelistic process. Then we are sure to produce an ongoing harvest. The process can happen all at once or as a time line - as long as the church plans its work in line with the understanding of the five phases of growing disciples that Jesus outlined in the gospel.

Exploring - God's grace is boundless - just think about the lengths He was prepared, and did in fact go to for each one of us...

Acknowledging - what God's grace actually mean to us individually...

Challenging - what are we going to do about it?

Today I am who I am because of God's grace... but i realise it is not me - it is God's grace with me that has made the difference.

Visit the Children's Ministry display booth at the village square for a chance to talk with other like-minded people on ways of ministering to our children. You will find many resources as well as things to keep your kids occupied while there - kids crafts, competitions and a play area and an opportunity to plant something...
Shine Big Camp Challenge - kids come collect your Challenge Log, complete the tasks and bring the log back for your reward!

Authorised Conference Photographers at this event

Photographs - we ask that all campers and day visitors be aware there are authorised photographers on the premises, identifiable by their green or orange ID, and photos taken by them may be used during the camp program, for Conference promotions and in print or on the web. If this will pose a problem for you, please discuss this with the Camp Office

Welcome to ...

Encounter

The Big Shed... the Main Pavillion... the Big Tent... Meridian...

Not just a new name... but a renewed focus ... to be a place where
we can encounter God

We encounter God as His Word is preached, as we praise Him and as we fellowship together. So in that sense Encounter is also about creating opportunities to encounter others who are seeking God. To that end all those who visit on Sabbath are invited to bring their lunch and share it at Cafe Encounters
in the main pavillion after church.

Throughout the weekend there will be the opportunities to dig into the Bible together, as you would expect at camp... but there will be more opportunity for prayer as well.

Prayer is about talking to God as we would talk to a friend...

Encounter also gives a nod to our Camping history. Some may remember the Encounter Tent that used to be part of the camping experience when Camp was at Nunawading

So please come and experience Encounter

If you are 30+ we hope you will join us here and enjoy the preaching, the music and the opportunity to mix with others

And it is our prayer that here, you will Encounter God
