

CREATIVE EVANGELISM CONFERENCE 2026

Unleash Your Gifts. Transform Your Community.

A Church Ready for a New Season

Have you ever felt that:

- There is more you could offer?
- Your gifts don't fit traditional roles?
- There must be a better way to reach people today?

You are not alone.

WHY THIS CONFERENCE?

For two years, this vision has been prayed over and carefully developed.

Our desire is simple:

To see the church in Victoria flourish in a changing world.

Many churches rely on a few visible gifts—preaching, singing, leading. But God has placed **far more gifts** within His people.

👉 This conference is about **unlocking those gifts**.

THE CHALLENGE WE FACE

- Younger generations are **disengaging**
- Many feel they have **no platform to contribute**
- Churches struggle to connect with **today's community**

👉 The result:

- Untapped potential
 - Missed opportunities for mission
-

THE SOLUTION: BUILDING BRIDGES

This conference helps you move from:

Friendship → Trust → Faith → Bible Study

Many people are not ready for seminars yet—
but they *are* searching for **hope, meaning, and connection**.

👉 We will show you how to reach them.
