LOVE: MORE THAN A WORD

KEY TEXT: ROMANS 5:8

A Victorian Adventist Conference Magazine

INTRAVIC

JUNE 2025

A LETTER FROM THE EDITOR

JESUS IS COMING, I WILL GO!

Significant things have happened this year. There is more to come.

Very soon, the General Conference (GC) in Session will meet to worship, pray, hear reports, discuss agenda items and direction-setting decisions, and appoint our world leaders, including the South Pacific Division President, Secretary, and Chief Financial Officer, for the next five years. Our South Pacific Division leaders are included in that. While there won't be white smoke, I'm sure Adventists worldwide are waiting to see how God will provide key people for our church as we go forward.

The theme for the GC Session is 'Jesus is Coming, I Will Go!' I'm sure you can see the obvious emphasis on the mission Jesus gave us. As a result of focusing on mission, the church continues to grow. In 2023, the Seventh-day Adventist Church grew by approximately 4,011 members per day, which equates to 1.465 million for the year – this works out to be about 167 new members per hour, or almost three per minute. World membership is over 25 million in 212 countries.

The Adventist Church is one of the fastest-growing and most widespread churches globally. Because of such significant growth around the world, some of the first items on the agenda for the GC Session typically involve the establishment of new Unions and Divisions of the General Conference, which

have been formed to cope with current and future administrative needs, to facilitate even greater effectiveness in reaching our world with the message of a soon-coming Saviour.

Thousands from around the globe will travel to St Louis, Missouri, USA for the 62nd Session of the General Conference. The attendance for the Sabbath Services is anticipated to be about 70,000 people. The meetings will last 10 days, commencing July 3, and will be open for all to attend. While most of us won't be able to do that in person, the Session will be available to watch live by visiting the official website, gcsession.org. Remember the time difference – I figure the evening meetings will happen at about 10:00am here in Victoria.

Based on what I've seen from previous GC Sessions, the Division reports presented in the evening are interesting, inspiring, and worth watching if you can. Business Sessions are during the day over there, when it's well and truly dark in our part of the world.

The Australian Union Conference Constituency meeting will be held in Melbourne in the first week of September. Three local Conference Constituency Meetings are scheduled in the same month here in Australia, including the Victorian Conference. As with the GC Session, in each of these Constituency Meetings, there'll be worship, prayer, reports, discussion of agenda items, voting on direction-setting decisions and the appointment of leaders for the future. May I encourage you to join with Adventists around the world in prayer for God's leading at the GC Session and in the Constituency Meetings that follow. If ever we needed God to lead, we need it now.

Now, let me focus on this issue of IntraVic. While there are reports on some recent events within Victoria, let me draw your attention to the upcoming rally for 'enditnow', designed to raise awareness and advocate for the end of violence. This rally is another excellent initiative of the Women's Ministries Department. I'm sure you'll want to support 'enditnow' as you're able. For more information about the cause, visit enditnow.org. Let us do our part to improve our world while we look forward to—and help others prepare for—the glorious return of Jesus, our Saviour.

Graeme Christian
Victorian Conference President

'LOVE: MORE THAN A WORD' VICTORIAN BIG CAMP 2025

"BUT GOD SHOWED HIS GREAT LOVE FOR US BY SENDING CHRIST TO DIE FOR US WHILE WE WERE STILL SINNERS."

- ROMANS 5:8

Across the weekend of April 17-21, 2025, Elmore Events Centre saw thousands of Victorian Adventists set up camp for the Easter weekend, eager to explore the idea of love being more than just a word.

Check out how each division demonstrated love in action with these recaps...

ENCOUNTER

Written by Tarnya Garner

This year, the theme 'Love: More than a Word' emphasised the profound significance of what Jesus has done for us. We were called to actively share His love with others by encountering Jesus personally and remaining faithful to Scripture.

Over the weekend, the Encounter Pavilion was blessed with a message of what it means to love and be loved. Attendees received a blend of practical tools from Prof. Allan Walshe and thought-provoking theological insights from Pr Clifford Goldstein. It was a memorable experience that gave us tangible advice on forming and maintaining our connection with God and others.

A key highlight was Pr Clifford Goldstein's testimony. It rang out with humour, vulnerability, and inspiration, drawing listeners in with its authenticity and encouraging many in their faith journeys. His words stirred hearts, reminding all present of the transformative power of grace and the enduring relevance of Scripture in everyday life.

Additionally, each morning, families and little ones came together in a gentle rhythm of worship, simple yet rich with wonder. Stories from Scripture wove through the air, and joyful music stirred children's hearts, drawing them in as parents watched with grateful eyes and hearts full of delight.

Thank you to the team who made this weekend possible. The Encounter Pavilion was united in spirit with a fantastic team of pastors dedicated to serving the

people, whether it was backstage planning or a joyful smile at the entrance. It was a community-focused space with an incredible host who welcomed all with open arms.

Moreover, the worship team facilitated the congregation's singing to rise like a tide of heartfelt praise, filling the room with a holy warmth and lifting every soul in reverent worship to God.

The atmosphere was filled with awe-inspiring special items and moments that allowed families to unite while glorifying God.

CONNECTIONS

Written by Sarah Nicholas

The message we all received in the Connections Tent was simple yet deeply profound: 'Love Well.' However, as Pr Shawn Brace reminded us:

"We can only love well to the degree that we first understand we are loved well."

That truth set the tone for a weekend that was anything but ordinary; it was a roller-coaster of reflection, conviction, and transformation.

One of the most powerful moments came when we were invited to imagine our own tables and ask who was missing from them. Who have we overlooked? Who have we avoided? And more importantly, who is Jesus asking us to invite in? Throughout the weekend, we didn't just talk about love—we were challenged to live it.

These transformative moments would not have been possible without the many hands and hearts who made the Connections Tent what it was. A heartfelt thank you to our dedicated pastoral team; the incredible Praise and Worship team led by Dr Mau and Rachel; our workshop host, Nathan Brown, who prompted reflections from both us and our speaker; and our platform leaders, Haylee Fairall and Zion Meleisea, who hosted us with warmth and grace. Thank you to our tireless tech team, our incredible café crew, and everyone who contributed to this space.

Last but certainly not least, to our inspiring, God-fearing speaker, Pr Shawn Brace, thank you for reminding us of the kind of love that changes everything.

May we go forward not just inspired but committed to love well.

YOUTH 18+

Written by Darcy Holman

The Victorian Conference returned to Elmore for the annual Easter Big Camp. This year, the theme was 'Love: More than a Word'. The Youth division examined the theme 'Love More' with guest speaker Pr Jonathan Osorio.

Across the weekend, the youth tent explored the theme through inspiring messages and practical applications. Notable moments include time dedicated to a community service project—helping maintain sugar glider houses at Strathallan Family Landcare—and exploring the power of mindfulness through the lens of creativity.

Youth band leader Ryan reflected, "Being able to be a part of the Youth Tent this year was an amazing experience. The messages from Pr Oso continue to inspire me to seek out ways to 'Love More' in my daily life. In particular, he said, 'God doesn't look for perfection but with him a connection,' which has inspired me to connect with God daily, even if I can't bring him a 'perfect' offering".

HIGH SCHOOL

Written by Jayden Croft

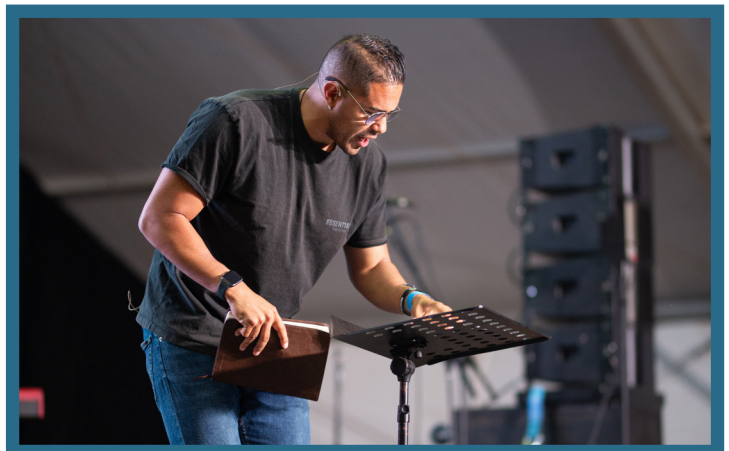

In the High School division, our theme was 'Surrounded', and we focused on the idea that God is always there for us, even when we can't see Him. Our guest speaker, Pr Jack Ryder, explored the theme through his testimony.

Through his personal experience, we saw that God is always there for us. Even when times seem rough and we can't see a way out, we can know that God's presence and power surround us.

Our activities across the weekend were also built around the theme, such as a Bible-themed game of 'Hunted' and some inflatable indoor activities that inspired perseverance and teamwork in the face of adversity.

Thanks to a weekend of encouraging messages and energising physical challenges, we learned that even when life is tough, we can rely on and trust in God because He's always there for us, even when we can't see it!

We praise God for the more than 80 decisions made for Jesus and almost 50 decisions to get baptised.

JUNIORS

Written by Rahel Gungadoo

This year at Big Camp, the Juniors were called to 'LEVEL UP' in their relationship with Jesus.

Pr Gabby Shaw travelled all the way from Queensland to share how we can grow our faith and connect with God. Those who came to our night programs enjoyed a captivating drama put together by Pr Joshua Contaoi, and powerful worship led by the Mernda Hills Christian College team.

Throughout the weekend, Juniors engaged in a wide variety of fun activities. From building catapults in craft to our scavenger hunts and round-robin games, there was something for everyone. But the real stand-out for many of our Juniors was the friendships that were made and strengthened.

On Sunday morning, Juniors came together for our annual ADRA Car Wash, successfully raising over \$1300 for the cause, beating last year's record! We were all grateful to the many campers who participated and those who gave generously to support our service project.

Amidst all the fun and joy we experienced at camp, the highlight had to be Sunday night, when 67 of our Juniors made decisions for Christ. Among them, 49 Juniors decided to 'LEVEL UP' through Bible studies, and 46 expressed a desire to be baptised.

We are so grateful to all our campers for making this weekend such a memorable experience. We hope that the memories and commitments made will continue to shape our Juniors' journey with Jesus. We can't wait to see you all next year!

CHILDREN'S DIVISION

Written by Pr Uili Mauga

Big Camp 2025 was bursting with life and energy, especially in our vibrant kids' divisions! Glorious days and star-filled nights created the perfect backdrop for fun, connection, and awe at God's creation. Each division brought its theme to life through creative, hands-on activities that kids absolutely loved. Most importantly, our dedicated teams bathed every moment in prayer, lifting each child to the One who loves them most.

Upper Primary embarked on an exciting adventure through 'The Great Jungle', exploring God's incredible animal creations. Pr Josh Stadnik shared dynamic, engaging messages and actively joined in the fun with the kids. The program featured kids helping lead praise and worship, while staff facilitated a variety of themed activity stations that made each rotation both fun and unforgettable.

Lower Primary kids joined the 'International Spy Academy' and became agents of the one true God. They scaled the walls of Jericho, climbed Mt Sinai, listened in on Jesus and Nicodemus, witnessed the burning bush, learnt to spot counterfeits, and enthusiastically sang songs to Jesus, the one true God!

The Kinders division launched into an exciting space-themed journey called 'Blast-off with Jesus!'. Pr Adrian and Emma—dressed as astronauts—set the tone for a fun-filled program. At the same time, Pastor Lagi brought the story of Jesus to life. With a fantastic team, the space was buzzing with energy, joy, and laughter. And yes—the balloons and rockets were a massive hit with the kids!

Beginners shared the theme 'King and Kingdom', focusing on Jesus as our King and Friend, making us kings and queens too! A highlight was when, after Leo the Lion hugged the Jesus puppet, a child spontaneously hugged Jesus, followed by several others. In that moment, Jesus' friendship touched their hearts.

This year, we introduced a fresh approach to our family concert. Three of our divisions confidently took the stage, lifting their voices in praise with songs they had learned during camp. The Encounter shed was packed to the brim with excited families who came to cheer on their children, and they were not disappointed. It was a heart-warming celebration of worship, community, and joy.

A huge thank you to our four age-group divisions, each led by dedicated pastors and supported by an incredible team of helpers and volunteers. Your commitment, energy, and love made a lasting impact, helping our kids catch a clearer glimpse of who God is. We're already looking forward to what God has in store for Big Camp 2026!

LOVE IN ACTION

The divisions of this camp demonstrated their love through their preparation, perseverance, and passion for providing an experience that would encourage and connect with others, no matter where they are in life—an apt reflection of this year's theme. Still, what is more fitting is how they have paid homage to the greatest act of love in history: God's Sacrifice.

God loved us so deeply that He prepared a plan for our salvation, and persevered through the pain and suffering of Earth, because He was passionate about guaranteeing a way for us to be together again.

Through Jesus' death, God provided an experience

we can connect with wherever we are on our spiritual journey and encourages us to draw near to Him daily.

As we count down the days until the next camp, we hope you have been comforted and challenged by God's unconditional love and that you, too, are inspired to show love to others in a way that surpasses words.

Sabbath is a Delight: Combined Filipino Fellowship in Victoria

On March 15, 2025, around 500 Filipino-Australian Seventh-day Adventists across Victoria congregated at Heritage College, Narre Warren campus, to explore the theme 'Sabbath is a Delight'.

This memorable event united church members in worship, Bible study, music, prayer, and fellowship. Attendees travelled from near and far, and the program began at 10:00am to accommodate those with longer travel times. The morning was dedicated to Sabbath School and extended Bible study, allowing participants to dive deeper into God's Word together—a highlight many greatly appreciated.

In a meaningful shift from the usual order of service, divine worship was held in the afternoon. This adjustment allowed members with morning commitments at their local churches to still participate in the larger gathering, ensuring inclusivity and fellowship throughout the day.

Pr Jezreel Locop, currently serving at Clyde Connect, Pakenham, and Longwarry churches, was the keynote speaker. His message focused on the importance of understanding that keeping the Sabbath is a delight, not a burden, because of what Jesus has done for us through Creation and Redemption. He emphasised that the Sabbath is a special time to remember and commune with our Creator and Saviour, a precious opportunity to renew our relationship with God. His message encourages all to delight in the Sabbath and grow deeper in their spiritual walk.

The fellowship was further enriched by the musical ministry of Jeramie Sanico Heitmann, a Filipino-Australian gospel singer, songwriter, and content creator. Her heartfelt songs and testimony lifted spirits and reminded attendees of God's love and calling.

Another highlight of the day was the special items presented by each participating church. These musical numbers and creative presentations showcased each group's talent and dedication; they helped promote deeper fellowship, camaraderie, and a spirit of combined worship. It was a joyful celebration of unity as voices and hearts came together in praise.

Of course, no Filipino gathering would be complete without a feast! A generous lunch featuring delicious Filipino dishes was shared, fostering deeper connections among attendees over food and stories.

Represented churches include Ascot Vale, Clyde, Dandenong, Frankston, Geelong, Hughesdale, Pakenham, Spotswood, Springvale, Westpoint, and many others from across Victoria and overseas guests.

Feedback from attendees was very positive, with comments such as "We should do this more often," or "We can't wait for the next gathering!"

This combined fellowship is now planned to be held twice a year, God willing, with a vision to include fellow believers from across Australia in the future. The event aims to create more meaningful opportunities for worship, testimonies, and mutual encouragement as we prepare for Christ's soon return.

The next combined fellowship is anticipated toward the end of 2025. May all continue to grow in faith and unity—for God's glory alone!

Frankston Church

LOCAL NEWS

Transforming Community: SEVY Rally inspires over 1,600 Young People

SEVY (South East Victorian Youth) Rally 2025, held at Heritage College, Narre Warren Campus, was a memorable weekend! Across the weekend of May 2-3, 2025 the rally welcomed over 1,600 youth, with an incredible turnout on both Friday night and Sabbath morning. It was a clear sign that God is stirring hearts and raising a generation eager to live boldly for Him.

We were honoured to have Pr Tulaga Aiolupotea from Invercargill, New Zealand, share powerful, Spirit-led messages on what a transformed community looks like. His words challenged and inspired youth to carry the love and light of Christ into their homes, churches, and communities.

The success of SEVY Rally 2025 was made possible by an amazing group of SEVY volunteers, both young and old. Their dedication and passion were evident throughout the preparation and during the event. These young leaders' efforts helped create a space where the Holy Spirit moved mightily.

Also, special thanks to Mr Phil Hyland and Pr Jonathon Gillard from VicYouth for their continued support and investment in the next generation of leaders.

The momentum is building in Victoria's South East, and plans for SEVY Rally 2026 are already in motion. We believe God is just getting started!

But it doesn't stop there. More SEVY events are being planned, as well as opportunities for the youth to come together for worship, prayer, and encouragement as they grow in faith and boldly share Jesus with others.

Praise God! An army is rising!

Pr Lagi Limu
Crossroads2421; Heritage College Chaplain;
Pa5ifica Seed Spiritual Advisor

Westpoint Church celebrates their Ninth Anniversary

On May 10, 2025, Westpoint Church celebrated its ninth anniversary, dedicating that Sabbath to remembering everything God has done to bless the community and to look back on the journey taken so far.

Westpoint started as a church plant created by Spotswood Church. What had been a small church in the 1990s grew exponentially after outreach and Bible studies. In 2016, it was decided that a church plant would be created to handle the overflow of members God had blessed them with. Meetings were held in various members' houses to develop a name for this new church plant. One member, previously a member of Northpoint Church, suggested the name 'Westpoint'.

On May 7, 2016, Westpoint held its first Sabbath in St Albans Meadows Primary School, beginning Westpoint Church's activities as a church plant separate from Spotswood.

In 2021, it relocated again to a factory owned by a church member before moving to its current location—a Salvation Army church in Brimbank—in 2023. Funds are currently being raised to build a new church building.

As part of the anniversary, special guest Pr Graeme Christian, the Victorian Conference President, gave a sermon reflecting on the growth of the Adventist church and what it means to be a disciple, encouraging all to share their faith with others through our actions and the love of Jesus. Lunch was served afterwards, and more tables than usual were set up to accommodate the large number of visitors and friends who had come to share in Westpoint's celebrations.

Westpoint Church will continue to dedicate its resources and community towards its mission—to spread the love of Jesus Christ through our community and to bring the Three Angels' message upon a world yearning for hope—towards the 10th anniversary and afterwards.

GOD'S SPECIAL GIFT!

**LIVE WISELY. I MEAN THAT YOU
SHOULD USE EVERY CHANCE
YOU HAVE FOR DOING GOOD**

- EPHESIANS 5:16
(International Children's Bible)

What's the greatest gift anyone ever gave you? Maybe it was a pet, a bicycle or something else you wanted! One of the very special gifts that God gives every one of His children is the gift of time. We can't see time, or touch it, or unwrap it. As soon as we are alive, we have all the seconds, minutes, hours, and days of our lives. We can use this amazing gift to learn about God's love, to grow our loving characters, to bless others and do many wonderful things.

Jesus spent time with His Father, praying and listening. He taught His disciples, so that they would become amazing missionaries one day. He was always looking for ways to bless others with His stories, kindness, and healing. He visited His friends, had dinner with people, and told them amazing things that changed their lives! He even cooked breakfast on the beach for His disciples! He did all His ministry in about three and a half years.

Petra listens to Bible stories on the way to school. Davie practices guitar because he wants to help with the music in Sabbath School.

Lilia and Linus have chosen to have only ten toys at a time, so they spend less time tidying up, and have more time to help Mum.

Jose helps his parents after school. They grow food for themselves and give the extra vegetables to people who are hungry.

The Andersen family limit their screen time to 30 minutes a day and then they walk through the forest for another 30 minutes.

They are all making good and different choices about how to use their God-given gift of time.

LET'S PRAY!

Dear Father God, I praise You for inviting me to have quiet times with You.

I thank You God for the different ways I can spend quiet time with You.

I am sorry God for the times when I have not put You first. Please help me to slow down, listen to You, and experience Your love for me.

I pray for all the people who feel tired because they are caring for others. Help them to slow down and rest, so that they can experience Your loving care for them.

Amen!
